Course Offered: Primary Teachers Training: D.El.Ed (2 year Diploma in Elementary Education, Both regular & ODL Mode, Started from 2012, Recognised by NCTE & affiliated to WBBPE)

DIET INTRODUCTION

DIET is the most significant intervention in the country. While the NCERT came up in the 1960's and SCERT came up in 1970's the need for a third tier of training and resource support structure, right at the district level was genuinely felt in order to improve the quality of basic education. As a result DIET's were set up in almost all the district of all the states in country.

Govt. of India gave top priority to elementary education. Different education commissions were constituted, which submitted their reports on the basis of their findings. Govt. made but through an amendment in the constitution in 1976 the subject of education was put on the concurrent list.

As a result State Govt. now collectively frame a particular education policy and National Education Policy 1986 introduced a new pattern of education known as 10+2+3 system establishment of DIET is based on the recommendation of National Education Policy. In May, 1986 Parliament adopted a new national Policy on Education and in August 1986 approved a detailed programme of action (POA) for its implementation.

DIET MISSION AND ROLE

1. Universalisation of primary Education.
2. Eradication of Adult illiteracy.

The Mission of DIET is to provide academic and resource support at the grass root level through strategies and programme for VEE and AE (15 to 35 age group). The sole objective of DIET is to ensure quality improvement of elementary education programme in the concord district each DIET can function as the district head in respect of elementary education programme.

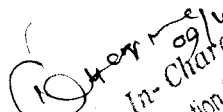

FUNCTIONS OF DIET

- Pre-service and in service education of teacher for the formal system.
- Induction level and continuing education of non-formal and Adult Education Instructors and supervisors.
- Training and orientation of the heads of Institution in institutional planning and management and micro level planning.
- Orientation of community leaders, functionaries of voluntary organization and other agencies influencing school level education.
- Academic support to school complex and District Boards of education.

SEVEN BRANCHES OF DIET:

In order to fulfill effectively the function entrusted to DIET, the guidelines have suggested a 7-branch organization of the DIET, given below:

1. Pre-service Teacher Education (PSTE) branch consisting of faculty members in "foundation" area as well as in various school subjects (excluding work experience).
2. Work Experience (WE) Branch.
3. District Resource Unit (DRU) for adult and Non-formal Education.
4. In-service Programmes, Field Interaction and innovation co-ordination (IFIC) Branch.
5. Curricular, Material Development and Evolution (CMDE) Branch.
6. Education Technology (ET) Branch.
7. Planning and Management (P & M) Branch.

Lecturer- In-Charge
District Institute of Education & Training
Chhandar, Bankura, W.B.

Analysis of functions of various branches indicate that all the branches have to involve themselves in training, research and development and have to mark in co-ordination to promote the function of one another.

Present Status:

Our DIET is located at Chhandar (Originally Chandrarah during Mughal Period), a village of educationally and economically backward area with S.C., S.T. Communities of the District Bankura at a distance of nearly 25 Kms. away from Bankura Town. It is situated by the side of Bankura – Burdwan bus route and ½ Km from the railway station Chhandar and 25 Kms. from Durgapur Station on Eastern Railway. Our DIET houses in a two storied building for administration and class room teaching in a green campus of 22.3 Bighas of Land with two large play grounds and a separate spacious auditorium for conduction seminar and varieties training programmes.

The District Institute of Education and Training (D.I.E.T.), Chhandar is a model Institution to provide academic and resource support at the grass-root level for the success of various educational programmes and varieties training being under taken in the area of elementary education and adult education. Beside pre-service teacher education it identifies the training needs of primary / elementary school teachers in the district and it also prepares a perspective plan to meet such needs taking help from concerning authorities through preparation of annual calendar of in-service training programmes of primary school teachers for their professional developments.

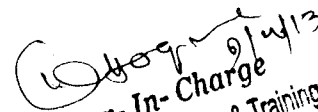

DIET is totally Centrally Sponsored. The DIET is functioning as per guidelines set by the MHRD in respect of their structure and functions. Total area of this instate is covered by 7.5 acres land and area covered by the building about 2.5 acres. The area is covered by boundary wall. Various tree are also here. A small play ground is in the front of institute and one football play ground inside of the boundary wall. The institute has its own campus. The administrative building of DIET has been constructed on the top floor of existing P.T.T.I's building. The detail of space and accommodation available is as follows. A separate spacious Auditorium for conducting seminar and varieties training programmes and the ground floor of the Auditorium is Library cum biggest Reading Room. Separate hostel facility is available for male and female trainees. Total number of intake capacity is 200(both male and female including fresher and deputed candidate),. There are 14 staff quarters in the campus. No new quarter of DIET staff is constricted. Existing quarter of P.T.T.I's staff is very poor condition. A pump machine is also established for use of both staff and trainees of the institute under DIET Scheme.
